

## Everything You Know Is Wrong 2

### Student Handout #1: Beliefs and Behavior

For each scenario, consider the following: In light of your belief, what is the explanation for your behavior?

**Ex:** You are a devout Catholic.  
You go to church and confession every Sunday.

*This behavior is in line with the dictates of your religion, and is a way for you to express your devotion to your faith.*

**Scenario 1:**  
You are very concerned about the environment.  
You recycle all your paper and glass.

**Scenario 2:**  
You are very concerned about the environment.  
You recycle all your glass but do not recycle paper.

**Scenario 3:**  
You are a strict vegetarian.  
You eat a soy-based hamburger alternative at a cookout.

**Scenario 4:**  
You are a strict vegetarian, for health reasons.  
You eat a hamburger at a cookout.

**Scenario 5:**  
You are a strict vegetarian, for moral reasons.  
You eat a hamburger at a cookout.

**Scenario 6:**  
You believe wholeheartedly in conservative values and reliably vote Republican.  
You decide to donate money to Planned Parenthood.

**Scenario 7:**  
You regularly donate money to Planned Parenthood.  
You decide to vote Republican.
