

Pump It

Student Handout #1: **John McCain 2008 television ad, "Pump Storyboard"**

		
<p>Narrator: Gas prices - \$4, \$5, no end in sight, because some in Washington are still saying no to drilling in America. No to independence from foreign oil.</p>	<p>Narrator: Who can you thank for rising prices at the pump?</p>	<p>Chant: Obama! Obama!</p>
		
<p>Narrator: One man knows we must now drill more in America and rescue our family budgets.</p>	<p>Narrator: Don't hope for more energy, vote for it. McCain.</p>	<p>McCain: I'm John McCain and I approve this message.</p>
