

Made in the U.S.A.

Student Handout #1: **Working 4 Working Americans, “Maytag Edwards Storyboard”**

Narrator: A home and a good job. The American Dream started in towns like Newton, Iowa with companies like Maytag.

Narrator: This October, Maytag closed its doors forever. 1,800 jobs lost...

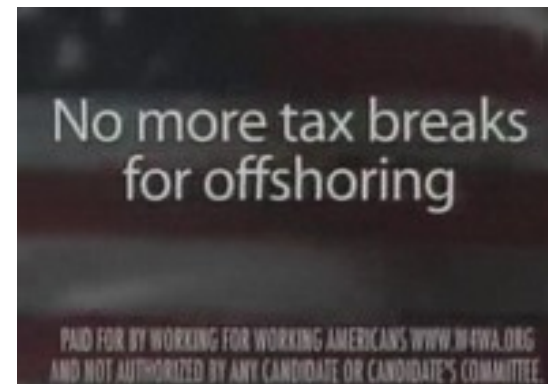

Narrator: ...while our government gives tax breaks to companies that move jobs offshore.

Narrator: John Edwards knows the Maytag closing jeopardizes a way of life.

Narrator: He says it's time to end tax breaks for companies that move good jobs offshore.

Narrator: Give voice to your values. Tell John Edwards he's right. Paid for by Working 4 Working Americans and not authorized by any candidate or candidate's committee.
